## ORIGINALITY

### Uranus in the 12th House

From 17 Apr 26

Uranus is a planet that is full of surprises. It takes approximately 84 years to do a full circle around the Zodiac. This means that it moves slowly through each Zodiac Sign and its effects on your Birth Chart takes time to unfold. It is important to note that this erratic planet can affect your life in a variety of ways depending on how you cope with change. If you try to resist change then you may find this planet's effects somewhat of a challenge. If you welcome liberation then you are in for a joyride. The planet Uranus helps you break free from past chains and restrictions and form new and more joyful ways of interacting in your life. Your life may be disrupted but you are then free from thinking inside the box, and new horizons open up. The area of your Birth Chart influenced by this liberating force is likely to be awakened and stimulated. This is a profound period in your life, although at times you may feel the need to retreat. On the positive side you experience intuitive flashes, initiate or join an unusual institution and expand your philanthropic interests. It is also possible that you probe the human psyche in an unusual fashion.

## Neptune in the 6th House

From 17 Apr 26

The planet Neptune takes approximately 164 years to circle the Zodiac. This slow-moving planet's transits unfold slowly. It is therefore more significant to look at any exact transits that are occurring in your Birth Chart. Nevertheless it can be helpful to try to understand the effect of Neptune as it enters into and transits through a House in your Birth Chart. Neptune is the planet that urges us to search for meaning in our lives, to look beyond the structures and focus on purpose. For instance are you pursuing a career because of ambition and material rewards or is it your true purpose and fully satisfying? Therefore it is not uncommon for the initial effects of Neptune to be confusion and disillusion, perhaps even a sense of loss. Gradually awareness emerges and you are able to see what is underlying the illusions and what you can gain by changing your course and embracing values that truly enhance your journey in life. Neptune helps you see the truth of any situation and therefore live your own truth. As Neptune travels through your 6th House you need to take care of your health, taking particular care with drugs of any description. The trouble is that your body is overly-sensitive during this time. You may even develop or discover allergies. You may also feel somewhat lethargic, overwhelmed by the demands of a busy life. A good balance of rest, exercise and a healthy diet goes a long way towards helping you cope with the stress of a busy schedule. You may also benefit from seeking advice from alternative healers, or perhaps even exploring options for working as a healer or in a spiritual field.

Exact 10 Dec 26 21:43

There's an old saying that "when one door shuts, another one opens". This adage could become your motto as your life undergoes major changes during this phase. Whether you realize it or not, you have reached a turning point in your life. It is time to cast off the old and welcome the new. If you have been in a rut and searching for a way forward, then this phase is a welcome relief. Otherwise you may find it a little surprising. It helps if you can picture yourself moving forward to a more rewarding lifestyle. If you resist change then you could find this a challenging period. New friendships, associations, groups, business associates, projects and perhaps even a new marriage partner (if you are not already married) are likely to arrive during this phase. As a result you may be forced to reassess certain aspects of your life with the view to incorporating the new and saying "good-bye" to the old. In some cases you may literally be throwing out old possessions, renovating your house or moving your business. The key is to learn to discriminate the true motive of people and the truth of situations. As you learn to face the truth then you will clearly see which habits, projects and people to let go while retaining the gems in your life. You will also perceive which new habits, projects and people to incorporate into your life. Fate plays a strong role in your life at the moment. If you are not already married, then you may meet a potential spouse. This new union could be intense, quickly developing a familiarity and closeness. This can be a very rewarding period, as long as you are able to go with the flow. You feel invigorated by the change of pace in your life, delighted to be more purposeful and energetic.
